Glossary:-

- ① Envy:- The feeling of wanting what someone else has.
- ② Dai: The health worker in the village.
- ③ Murmured: spoke in a soft, quiet voice.

Answer the following Questions:-

Q1. What did Dai tell the women of the village?

Ans. Dai, the health worker in the village had told everyone in the village that pump water was better for their families as compared to the water in the river, lake, pond or even the well as it was clean water.

Q2. Did the women of the village listen to Dai? why? why not?

Ans. No, the women of the village did not listen to the Dai. This must have been because of their lack, awareness and

understanding about health and hygiene.

Q3. Who is Guddi?

Ans. Guddi is Kokila and Ramu's daughter.

Q4. If we want to be healthy, we must
(complete the sentence).

Ans. If we want to be healthy, we must only drink clean water stored in a clean vessel using clean utensils.

Activity :- Decorate a pot.

(It can be a flower pot or pen holder)
